**King won four of seven against Moose in the regular season**

From page 10

King has done rather well against the Moose over the regular season, although the club had a rough November, dropping four in a row in the second half of the month, and the Moose were lucky enough to be the opponents in three of those games. The Wild were the victors in the other four matches (including the Sept. 9 outing, which marked the first win in King Wild history), although they needed overtime to do it in one of the games.

"We have to work 60 minutes of the game to beat the Moose, because those boys work hard the whole game," Natale observed, adding staying in for the duration is one of the Wild's weak points. While he said there are a number of individualists on the team, Natale was confident they will be there for the post-season.

"They'll definitely step up," he declared. "I have

total faith in the boys. I know personally we can win the whole league, as long as we work hard."

"If our team stays focused and everyone contributes the way they can, we shouldn't have any trouble with the Moose," Hampton commented Monday.

The Wild completed their first season of competition in the new Greater Metro Junior A Hockey League with 26 wins in 42 starts. They lost 13 games and another three after regulation time. That gave them 55 points in the standings, 23 back of the rattlers, but three better than the Richmond Hill Rams, who finished third. The Thunder were fourth with 43, followed by the Moose with 41, Alouettes with 39 and the South Muskoka Shield with 12.

Jordan Gidaro led the scoring attack for the club with 37 goals and 18 assists, followed by Dan Douglas with 20 goals and 31 assists

and Marc Zanette with 21 and 23.

Craig Byford was the second stingiest goalie in the loop, facing 515 shots and allowing 43 goals. He had a 3.03 goals-against average and save percentage of 91.6. He also notched a shutout.

The series against the Moose actually started last night (Tuesday) in Nobleton, and the results of that match were not known at press time.

The schedule for the rest of the series (as of press time) is today (Wednesday) at Thornhill Community Centre at 7755 Bayview Ave., starting at 2 p.m.; Friday at Nobleton, starting at 8:15 p.m. and the fourth match will be Saturday at Thornhill, starting at 7:30 p.m. A fifth game, if necessary, will be Sunday in King City at 5:45 p.m., the sixth game will be Tuesday in Nobleton at 8:15 p.m. and the seventh game, if required, will be next Wednesday at Thornhill, again starting at 2.

**KNIGHTS VS KNIGHTS**

The NobleKing peewee local league Knights are in a tough play-off battle with the NobleKing peewee local league Knights. The peewee 1 club (in the white uniforms), sponsored by Fines Ford, opened their best-of-five series Saturday with their peewee 2 counterparts, sponsored by Langdon's Coach Lines. The opening game ended in a 2-2 tie, but the Langdon crew took the second match 2-0.
