709 IN MEMORIAM

JOHN J. TOMPOROWSKI In loving memory of John who passed away May 7, 2005. *Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift, uplifting rush Of quiet birds in circled flight. I am the soft star that shines at night. Do not stand at my grave and cry. I am not there, I did not die. Sadly missed by MaryEllen and family.*

708 DEATHS

BUNTINS: ARVYD MARTIN- It is with tremendous sadness and great loss we announce the sudden passing of our Gentle Giant April 27,2007 in Marshall Texas on route to his summer home in Barrie at the tender age of 68. Loving son of the late Grita and Bernard Buntins. Loved and cherished father of Heather Vandinten and her husband Peter. Beloved Big Opa to his prized and precious grand daughter Madison. Sadly missed by his first wife and Heather's Mother, Elaine. Grand Opa and Kielbassa King to his little buddy Winston. Arvyd was born in Lithuania and loved the beach and dunes of his homeland on The Baltic Sea. He continued throughout his life to try and live close to the nearest beach first in Toronto where he attended HumberSide Collegiate then Wasaga Beach, Marina Del Ray to Ft Lauderdale, the lake in Wolfboro N.H, Torremolinos Spain, Mexico and finally Brownsville Texas. He was the original beach boy who loved life and everyone he met along the way. Dad came out of retirement in the warm sunny south to help build and establish Cellar Wines in Innisfil where he was an integral asset in helping to plan, build, launch and support the growth of Cellar Wines in his self imposed title of Little Ole Wine Maker. He was hardly little and not very old. He loved our customers and their individual stories and even grew to love wine. An avid athlete played many sports on many levels but he especially loved and played golf right to the end. He played golf with the Bags group, the Lithuanians TLGK, various mens leagues and the Argos Alumni. He also had the opportunity to attend many school and associations reunions of late and he may not have remembered or recognized everyone there but they all knew who he was. No one ever forgot about Arv. No one ever forgot about a dinner or party that you might have been fortunate enough to have had with him either. And there were thousands of those. Even what may have seemed like a simple dinner would turn into an occasion with my Dad. It did not matter if he was cooking for 6 or 60 the effort, energy and result was the same. Fabulous! My Dad loved his family and there are many branches in that tree all around the world. He loved his many friends and he loved his life on his terms. A celebration of his life will take place close to May 26th, his birthdate. Arv will be greatly missed by all our family, many special friends and customers whose lives he touched. If there was one phrase or lyric that he lived by most it was slow down and take it easy. He also proved the old adage that life is too short so enjoy it! He did his very best to do that every chance he got! A lesson we should all try to learn by and live by. You are invited to sign Arv's book of remembrance at remembering-arv@hotmail.com
