

Bible Fun Camp goes next week at St. Paul's Presbyterian Church

Nobleton Notes

By Angie Maccarone
(905) 859-5174
Nobleton United Church

The title of the July 8 sermon will be, When life is enriched by caring, along with readings from Galatians and Luke. Please join us at 11:15 a.m., as our doors are always open and welcoming.

Bible Fun Camp at St. Paul's Church

Our theme for this year's

Bible Fun Camp is Son Force Kids. It will be held next week (July 9 to 13), from 9:30 to 11:30 every morning. This fun-filled program, with music, crafts, Bible stories, snacks and games, is ideal for children aged four to 12 years.

To register your child(ren) and their friends, please call the church office at (905) 859-0843. There is no cost for this program.

Join us this Sunday (July 8) at 9:45 a.m. as we welcome Rev. Alyson McLeod to the pulpit. Nursery care (for children five years and

younger) is provided during the service and Sunday school (for adults only) follows the service at 11 a.m.

For further information about any of our activities, please contact the church office at (905) 859-0843.

Horticulture

"The show must go on," and so it did, in spite of the extremely hot and humid weather.

It looked for a while like the turnout would be poor, as by 7:45 only a few people had showed up, but by 8 p.m. there was almost a full house for the last meeting and

show of the Nobleton — King City Horticultural Society.

All were treated to a colourful flower show with 68 entries by six exhibitors, and a slide presentation and talk on the growing of delphiniums by Hazel and Joe Cook, who raise them on several acres near their Blossom Hill Nursery, in shades of blue, mauve, purple, pink and white.

Kathy Ball (Nobleton) once again earned the most points in show with a staggering 56. Nancy Hopkinson (Nobleton) came second

with 55 points and Barb Downey (Castleberg) was third with 34 points. Hopkinson's patriotic arrangement, With Glowing Hearts, won best decorative in show and Downey's red rose, selected for fragrance, won best cultural in show.

Do remember to circle July 15 on your calendar as this is the date of the Nobleton — King City Horticultural Society's annual Garden Tour. It's a rare chance to see several beautiful, but very different local private gardens. Tickets, at \$10 per person, are available at Primrose Garden Centre and Nobleton Pharmasave, both on Highway 27 north of the second set of traffic lights in Nobleton, and at Crawford Wells on Keele Street at King Road in King City and Black Forest Garden Centre on Keele, just south of Lloydtown — Aurora Road.

If you first see the container and then notice the plants in it, the container needs more flowers, including taller ones and those that cascade over the side. The flowers should catch the eye first not the container.

A nearby house has a front garden bed covered in a red mulch and planted with red geraniums (perlargoniums). You see the mulch first and then the green foliage, but the blooms blend into the red soil cover. Another house nearby has some green shrubs in areas of well maintained soil, that have white geraniums here and there. The soil is the first thing to catch the eye and then the shrubs, but the flowers are hardly noticed. What a shame when the flowers should be the highlight of each garden. Containers/mulch/soil should compliment the flowers, not over shadow them.

Volunteers sought to redecorate All Saints'

King's Corners

All Saints' Anglican Church
Submitted by Claire Alexander

You are warmly invited to participate in events at All Saints' Anglican Church, a caring, friendly church.

This is the summer of new inspiration, and of equipping the laity for service. Come and listen to a variety of different preachers and ministers over the summer season.

This Sunday (July 8) the summer services at 8 and 10 a.m. will be led by guest preacher Rev. Jerry Loweth, with lectionary readings in 2 Kings 5 and Luke 10.

Details of the triennial General Synod in Winnipeg are available at www.anglicanjournal.com

Though both clergy and laity in separate votes approved same-sex blessing rites, the move was narrowly defeated (19-21) by the bishops, leaving both sides somewhat disappointed. Anyone wishing to know more about the issue is welcome to speak to Rev. Nicola

Skinner. All people are welcome at All Saints'.

Congratulations to our amazing Kingfest team of Nancy Bodi, Susan Willmot, Leah Springford, Joan Francis and Patrick Gossage. You put together a great festival! Looking forward to next year.

Our youth group enjoyed a wonderful end-of-year pool party and barbecue at Barbara Houlding's place last week. It is so good it is now a tradition.

Enjoy the summer, and we look forward to seeing you in September when we will begin two youth groups

for young people aged seven to 12 and 13 to 18. Friends and newcomers are warmly welcomed to join us.

This summer, All Saints' will be enjoying a redecoration inside and out, all colours chosen by a wonderful designer, to enhance our sense of worship and well-being, and not least to freshen us up for our 150th Anniversary celebration in November. Any painting volunteers would be appreciated. Community service hours will be given to any high school volunteers who wish to help out. Call the office for details.

All Saints' Anglican Church is at 12935 Keele St. in King City, a few doors south of King Road. The Eucharist is celebrated at 8 and 10 a.m. in the Chapel. The office is open from 10 a.m. until 2 p.m. Tuesday to Thursday in the summer.

If you know of a need or would like prayer, contact the church office, or Rev. Skinner, at (905) 833-5432, or <allsaints@eol.ca> (EOL)

Our new (and in progress) Web site is at www.allsaintskingcity.com

Schomberg Garden Tour goes this Sunday

All Around Schomberg

Schomberg tour in Arts Festival King

From the Schomberg Community Hall, guides Brian Beatty and Bill Foran will lead a very informative and free Heritage Walking Tour July 14 from 9 to 10:15 a.m.

Then stop in and enjoy the Country Craft Show at the Community Hall, open from 10 a.m. to 4:30 p.m., or take in the very entertaining King Township Heritage Bus Tour from 10:30 a.m. to 2:30 p.m. with Mr. Heritage himself — Bert Duclos.

Tickets for the tour are

\$22, and that includes the guide, air conditioned bus and lunch at the King Township Museum.

Ask Bert about the man who lost his wife and child in a poker game.

For reservations, call (905) 859-7970.

Garden tour

The Schomberg Horticultural Society is holding its annual Garden Tour this Sunday (July 8) from 10 a.m. to 3 p.m. Tickets will be available the day of the tour at the Schomberg Community Hall on Main Street. The cost is \$6. Eight unique and charming gardens await your viewing pleasure, (no dogs allowed). For more information, call (905) 939-2069.

Durham/York Residual Waste Environmental Assessment Study Public Information Session

PUBLIC NOTICE

Study Update Meeting

The Regions of Durham and York are participating in a joint waste study to find a better way to manage the residual waste (i.e. garbage) remaining after diversion efforts, such as recycling and composting. Through the Joint Waste Management Group, the two municipalities are addressing the social, environmental and financial impacts of this waste issue by way of an "Individual" Environmental Assessment (EA) under the Provincial EA Act. The preferred technology for managing Durham and York Regions' residual waste has been identified as thermal treatment coupled with energy generation. A short-list of sites has been identified and evaluations are underway to select the preferred site using criteria and priorities developed during earlier stages of the EA. One of the short-listed sites is located on Garfield Wright Boulevard in the Town of East Gwillimbury.

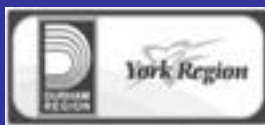

On July 24th, 2007, York Region will be hosting an information session to present and discuss the progress of the EA to date and highlight findings of the generic health and ecological risk study.

For more information on the Durham/York Residual Waste EA Study, please visit the study website at www.durhamyorkwaste.ca.

The Information Session regarding the proposed energy-from-waste facility will be held from 6:30 p.m. to 9:30 p.m. A formal presentation will begin at 7:00 p.m.

Tuesday, July 24, 2007
York Region Administrative Centre Seminar Room
17250 Yonge Street, Newmarket
Please register in advance of this session by calling 1-866-398-4423.

For more information on the Durham/York Residual Waste EA Study, please visit www.durhamyorkwaste.ca or call 1-866-398-4423.
