Recognize excellence

Nominate an outstanding United Way volunteer for the Douglas E. Lear Memorial Award

Sponsored by Allstate Insurance Company of Canada, the Douglas E. Lear Memorial Award recognizes outstanding volunteerism in the Human Services field.

To be eligible for the award, the nominee will have volunteered with United Way of York Region or one of the member agencies. Allstate will provide a cash award of \$1,000 to United Way of York Region's Community Fund or to the recipient's United Way of York Region member agency of choice.

Doug Lear, an executive at Allstate for 33 years, was a volunteer with a gift for reaching out and helping those

around him. He believed in people and took a genuine interest in helping others. Lear touched the lives of thousands of people and the United Way is very pleased to name the Volunteer of the Year Award in his memory.

Nominations are due by Nov. 30, and the award will be presented at the United Way of York Region Campaign Achievement Celebration Dinner in January (date and location to be confirmed).
